

**The Deputy Chief of Staff for
Command, Control, Communications,
Computers and Intelligence
Commander, U.S. Pacific Fleet**

presents a Team WOW! Award

to

Mr. E.B. Lawson

in recognition of

the following Special Act/Service:

For outstanding performance of duty while serving as a member of the STAFFEX Support Team from 3-5 June 2003. Mr. Lawson's superb technical expertise provided seamless communication services that proved instrumental in the overall success of the Joint Task Force Staff exercise. Through precise innovative planning the team successfully planned, installed, and maintained command, control, communications, and computer services for over 75 personnel including senior flag level officers resulting in no communication outages. Specific services included distributed secure voice, video, and data applications including Same Time Chat collaboration tool, which provided continuous virtual connectivity to the Joint Task Force Executive Steering Group and the Joint Task Force Component Commanders located in converted conference rooms in "battle cells" throughout the Makalapa compound. The team demonstrated great dedication and teamwork in developing the first ever "battle cell" architecture. Mr. Lawson's expertise was perfectly integrated into a total team effort, which reflected great credit upon the J6/N6 team and was in keeping with the highest standards of the Department of the Navy.
