30 April 2006

Dear Mr. Lawson,

Thank you for volunteering to be the Webmaster for the 2006 D14 Coast Guard Ball. I commend you for your outstanding supervision and creativity on the CG Ball Website.

You did a wonderful job of managing the online purchases of tickets to the Coast Guard Ball. Your efforts sustained efficiency for ticket sales that is hard to match. You also successfully integrated a purchase feature enabling D14 personnel to contribute donations to the ball through the Valentine's Day Rose sale. Your website management also provided a good source of information about the Ball to D14 personnel.

Your assistance with the Ball fundraisers gave the committee a healthy budget. Thank you for your hard work in making the 2006 District 14 Coast Guard Ball a success!

Sincerely,
