Re: Use of Video-Conferencing Facilities

Dear ^{Mr} ~~Commander~~ Lawson,

Now that the Transportation Security Administration's case requiring video-conferencing has almost come to an end, I am taking this occasion to thank you for your assistance in scheduling the room and video conferences.

With your assistance, we successfully coordinated an administrative hearing involving witnesses in various places throughout the country. If video-conferencing could not be held in your facilities, the U.S. government would have had to spend hundreds of dollars flying each person to Honolulu.

Once again, thank you for your support. Your assistance was invaluable, and on behalf of the Agency, we appreciate your willingness to help in this case.

Sincerely,

Eileen Dizon Calaguas
