SEP 05 2007

Dear ^{FEB} Mr. Lawson,

Please accept my sincere appreciation for your assistance as webmaster for the 2007 District Fourteen Coast Guard Ball.

I sincerely appreciate your professionalism and volunteer spirit. The wonderful time we all had celebrating our Service birthday would not have been possible without your contributions. This year's Coast Guard Ball was a time to promote our pride as the Nation's oldest maritime service and the Guardians of the Pacific. It was also a time to enjoy fellowship with other Coast Guard men and women and those who support us. It was a tremendous success.

Through your support in conducting this year's District Fourteen Coast Guard Ball, you helped carry on a tradition for military ceremony that began over 217 years ago. Thank you for adding to our legacy and BZ for a job well done.

Sincerely,
