Dear Mr. Lawson,

Please accept my most sincere mahalo for your participation in the dedication of the Coast Guard Pacific Veterans Memorial at the National Memorial Cemetery of the Pacific.

Your willingness to serve on the memorial planning committee is most appreciated. In particular, I would like to commend you for the outstanding job you did in developing and managing the Coast Guard Veterans Memorial website. Your technical know-how was a key factor in bringing people together for this most historic event.

Thank you for helping to make the dedication of the Coast Guard Pacific Veterans Memorial such a huge success. Bravo Zulu!
