12 August 2008

Dear Mr. Lawson,

Mahalo for your leadership during the preparations for this year's highly successful Fourteenth Coast Guard District Ball! I was especially pleased with the organization and attention to detail achieved by our Ball Committee and I am extremely thankful you stepped forward to build a fantastic website!

The project officer, Lieutenant John Titchen, conveyed to me that the resounding success of the event would not have been possible without your help with respect to the site. I am privileged to lead a District where so many came together to ensure an enjoyable evening for all.

Aloha and Mahalo nui loa!

Sincerely,
