Dear Admiral Brown,

It is my sincere pleasure to acknowledge the important contribution made by E.B. Lawson to this year's Hawaii-Pacific Area Combined Federal Campaign. As part of the 2008 Planning Team, he played a key role in the outstanding achievement of this year's campaign, a record setting success, raising \$6.3 million for the charities in our CFC.

Mr. Lawson created and updated our CFC website. The website was essential to keeping federal agency Project Officers informed and current on campaign matters. He posted campaign training materials, training dates, information for charitable organizations ... brought everything together in one location for campaign volunteers, donors and charities. Since none of us at the "downtown" location has the skills to create the site, E.B. made a tremendously valuable and unique contribution to the campaign's success.

Thank you for appointing such an excellent individual to work with the campaign.

Sincerely,

A handwritten signature in black ink that reads "Nita Yates".
