Dear Volunteer,

I am absolutely thrilled to extend my first official end of season *"thank you"*. Thank you for your support of the Volunteer Income Tax Assistance (VITA) and Tax Counseling for the Elderly (TCE) programs. Your personal time and commitment to deliver quality service is what helped make the 2013 filing season a success.

Every filing season is different and we generally find ourselves facing new challenges each year. As always, you rose to the occasion and worked with us to deliver another great filing season. Your continued patience and understanding deserves the greatest recognition.

Speaking on behalf of SPEC and the people who benefited from VITA and TCE services, you are truly appreciated. I consider it an honor to recognize you for your dedication. We are grateful that you chose to volunteer with the VITA and TCE programs and look forward to working with you next year.

Sincerely,

A handwritten signature in cursive script that reads "Verlinda Paul".
